## VFX COMPOSITOR

<u>SHOWREEL</u>

<u>https://vimeo.com/</u> <u>797046266</u>

---

I am ambitious , curious VFX Compositor that loves to solve creative problems. With my 12 years of work experience I have developed a strong understanding of the vfx pipeline and am able to keep all stakeholders in the loop even on tight deadlines. I have always been keen to up skill, learn new tools, and to empower others, which continues to keep my work fresh and full of exciting new creative challenges to solve.
